

Build a full caseload quickly while being a part of multidisciplinary team.

This position comes with an opportunity to join an exciting team of medical professionals within a setting that provides strong potential for interdisciplinary collaboration, professional growth and knowledge transfer. We value patient care, education, research and community outreach. The setting offers opportunities for new graduates looking for mentorship, and a consistent caseload for established clinicians who want to work in a busy private practice with a solid referral base.

We offer you:

- Competitive Compensation
- Truly Complete Care: face to face interaction with on site sport med physicians and orthopedic surgeons.
- \$1500 Education allowance per year
- Health Benefits plan
- No admin work. We manage all reception, appointments, invoicing, and billing for you

Career progression OPTIONS:

1. Pursue your FCAMPT with mentors available
2. Diversify your clinical work
3. Participate in Clinical Research

We believe in MENTORSHIP!

Whether you are a seasoned clinician or new grad, we help you to sharpen your skills with a formal mentorship program, rounds education sessions and more!

Required Competencies:

- Registered member (in good standing) with the College of Physiotherapists of Manitoba
